# Discover the unique healing powers of the Dead Sea

The Dead Sea is the world's largest natural spa, containing a unique composition of minerals renowned for their therapeutic and beautifying powers:

<b>Magnesium</b>	Promotes healing and increases cell vitality
<b>Calcium</b>	Strengthens bones and nails
<b>Potassium</b>	Balances the skin's moisture levels
<b>Bromide</b>	Relaxes muscles and minimises stiffness
<b>Sulphur</b>	Acts as a natural disinfectant
<b>Iodine</b>	Vital for the correct functioning of the body's metabolism and thyroid gland.

La Cure use only the purest Dead Sea salt and mud ethically sourced from Jordan in the skin care and **Make Me** ranges. Thereby guaranteeing the efficacy of the ranges and offering a truly unique set of products that are used by leading spas worldwide and are now available to discerning professionals directly.

All four ranges have been designed to complement each other perfectly and can be used in combination to strengthen existing treatment lists and give clients results that will see them return time and time again.
