Description

La Cure combine Natural Dead Sea Minerals with Shea Butter and Jojoba Oil to create this Body Butter, which intensively moisturises the skin whilst the Papaya Essence nourishes with Vitamins and Anti-Oxidants, invigorating the senses with a beautiful natural scent. It is suitable for all over body use and is quickly absorbed leaving the skin smooth, visibly healthier and hydrated.

Key Active Ingredients: Dead Sea Minerals, Shea Butter, Jojoba Oil, Papaya Essence.

> My body skin hero product! It absorbs quickly, smells divine and leaves my skin looking amazing. Definitely the best body moisturiser i've ever tried. I just smooth it on and the heavenly Papaya smell transports me to the tropics.
